**Sibelius Primary Teacher's Pack includes:**  
Fully working versions of Groovy Music Suite, Sibelius Starclass and Sibelius Instruments. Vista and OSX ready

#### Groovy Music Suite (normally \$249)

Groovy Music from Sibelius Software is an exceptional series of three programs that make teaching music to children fun and easy. It supports non-specialist and specialist music teachers and includes clear and well-written supporting materials - and Groovy is ideal for use with electronic whiteboards

#### Starclass (normally \$149)

Musical concepts and lesson plans for specialist and non-specialist teachers in primary schools. Includes hundreds of music clips, printable pictures and an audio CD to play in class.

#### Instruments (normally \$79)

A unique interactive encyclopaedia of instruments, bands, orchestras and ensembles. Covers instruments, how to write for them and includes hundreds of high-quality recordings.

**SIBELIUS 5 ALSO AVAILABLE TO PRIMARY TEACHERS FOR JUST \$395!!**

#### Sibelius 5 (Can be purchased separately to the teacher pack offer. Call for details)

The complete software for writing, playing, printing and publishing music notation. Whatever your musical activity, Sibelius 5 makes writing scores a breeze - giving you more time to focus on the music.

Add Sibelius 5 to my order.
